E-GOVERNANCE POLICY

E-GOVERNANCE POLICY

Scope :

The scope of E-Governance Policy for our Institution extends to the following areas :

- General Administration
- Student Admission
- Examination
- Library
- Accounts and Finance
- Scholarship
- ICT Infrastructure

Objectives :

- The institution has implemented of E-governance in order to provide simple and efficient functioning of the institution
- To maintain transparency and accountability in the functions of the institution.
- To minimize the use of paper in the college.
- To provide easy and quick access to information.

Policy :

- The college will implement e-governance in the functioning of accounts, admissions, administration, examination, teaching-learning, etc.
- The policy is designed and framed to make each and every function transparent and accountable.
- The College decides to make the following policies and procedure.

Website :

- The Institution website reflects all about the institution, courses offered, their intake capacity, Syllabus, IQAC, ISO Certifications, Events/activities, Important notices, Placements etc.
- It is designed and maintained by service provider/web designer, appointed by the Institution.
- All the important notifications have to go live on the website as and when they are released.

- Website Committee is formed to look after the modifications, maintenance and smooth working of the website on a regular basis by communicating with the developer.

Student Admission :

- An open and transparent strategy for the admission process is followed which is further strengthened by the ethical practices and regulations as per the Savitribai Phule Pune University, Pune.
- The College brings out its Brochure which is displayed on the website that has guidelines for the admission process.
- An Admission Portal to be used to manage the admissions in the college.

Accounts :

- The office continues to maintain its account on Vriddhi, the ERP recommended by Gokhale Education Society. Latest versions of the software to be purchased and used by the Institution.
- Advanced features of the S/W helps the staff to maintain financial records effectively and efficiently.
- Profit and loss, Balance Sheet are generated through this software only.
- Appropriate security measures should be taken for maintaining confidentiality of the transactions.

Library : T

- The college library functions are partially maintained by the ERP S/W Vriddhi.
- The Institution should continue to subscribe to new journals and books recommended/ required by teachers and students.
- The Library software should have an easy to use- Graphical User Interface for book stock maintenance, search/issue /return books.

Administration :

- Administrative Office should use Advanced Excel and File Management System Tools to maintain effective database.

- To provide a hassle free, convenient and smooth process, administration of the college to be made paperless.
- Students must be able to obtain necessary services in online mode.
- The college will look into opportunities to automate some of its functions related to administration.
- Admin Staff to be provided with adequate training and development to keep them updated with the new technology.

Examination :

- The college has adopted an online system where students can view their total internal assessment marks at the end of each semester and can report discrepancies, if any.
- The Examination process is regulated by the University and thus e-governance policy of the University to be adopted in this regard.

ICT Tools :

- The Institution has to ensure that it has adequate number of computers for students and staff.
- Computers and printers to be made available in the administrative block.
- Projectors and other multimedia devices to be provided in Seminar hall, classrooms, and laboratories.
- The infrastructure to be complemented by LAN and Internet Connectivity.
- The College to maintain adequate configuration servers to allow fast transmission of data to the various computers.
- Office automation packages for desktops like Open Office, MS-Office and Antivirus to be purchased and updated regularly.
