

### College Library at a glance

- The College library has a Library Advisory Committee. Its major responsibilities are:
  - a) Purchasing of books.
  - b) Library development including infrastructural facilities.
  - c) Maintenance of the library.
  - d) Subscription of periodicals and journals.
  - e) Other library services.
- The College Library Advisory Committee, which considers the development proposals of the library, budget allocations, policy decisions, etc.
- It also provides directions for a structured and balanced growth of the library to provide improved facilities and innovative services.
- Allocation, utilization of funds, introduction of developmental programs, requirements of the students/staff, etc. are addressed and approved by the Library Advisory Committee.
- The Library Advisory Committee makes sincere efforts to mobilize resources from budget.
- Library has the database of all the students and staff about issuing and returning of books.
- Library is kept open to authorized members and entry/access is checked with students'/staff Identity cards.
- Students have permission to issue two books at a time and it varies as per requirements.
- Library maintains the separate issuing register and library software (Vriddhi) for having database and security purpose.
- The grill is fixed to the library windows to provide additional security of library materials.
- The fire extinguisher ensures safety of library materials from fire.
- All books are properly kept in cupboards and necessary treatments are carried out from time to time for preservation of books and library materials.

#### **The facilities available in the library are:**

- Computer systems
- Internet facility for information retrieval through broadband connectivity
- Reprographic facilities for photocopying purpose
- Reading room facility for faculty and students
- Library Advisory Committee and its effective functioning
- Newspaper stands

- Water filter
- Based on latest catalogues and list of book reviews, the teachers send a list of books/journals to be procured.
- Indian as well as foreign books are procured from all over the country through vendors.
- Book sellers, publishers, vendors are encouraged to send list of latest books and specimen copies.
- User education and orientation, hands on training, information search strategies are provided for optimum use of information resources.
- Procurement procedures have been simplified to avoid delay.
- Budget allocation is made at the beginning of the academic year and effectively utilized by the College.
- College provides the online internet service to the students and staff.
- In addition to Internet/Online facilities in Library, desktop access has been set up.
- The Library has 02 computer work station to provide online and internet services to the faculty and students.
- Local Area Network (LAN) Vridhhi software has been installed for services of the library.
- High Speed FTTH Broadband connectivity provides the increased speed for quick access by the users.
- The library services are computerized to maintain the students and staff database and details of issuing and returning of books.
- Library staff makes a notice for latest arrivals and copy of that is send to staff members and is displayed on notice board of the library for all students as latest arrivals.
- The new editions to the library are informed to the staff members and students.
- The library staff assists users in identifying related books for reference. Bibliographical compilations on specific topics are also provided. Search strategies and complex information search from e-resources are supported by the library staff.
- E-resources, online access, internet and CD/DVD-ROM searching also help in motivating/promoting the use of library resources.
- The practice of book requirement form ensures the faculty about the purchasing and availability of the book needed.
- The library has interlibrary borrowing facility. Students borrow books and study materials from BYK College of Commerce and HPT Arts and RYK Science College, Nashik.
- Whatever facilities are available in the library can easily be used by physically persons without any difficulty.
- However, if required, for visually-and physically-challenged persons the college is ready to make necessary arrangements/changes in the library to meet the requirements of such
